On Friday 24th of June, 69 members attended the General Meeting at the Bentleigh Club. There were 24 apologies and 4 visitors. We now have a total of 110 members.

GUEST SPEAKER

Our speaker this month is Dennis Jordan from Australian Hearing who will speak about hearing and what we should know.

Hearing loss is a significant health issue in the community. It currently affects one in six Australians.

The incidence of hearing loss increases as we get older and is a part of the natural aging process, with 60 per cent of people aged over 60 suffering from some form of hearing loss.

Hearing loss generally occurs gradually and it's often friends who notice it first.

Many people say they can hear but they can't understand. They may complain that everybody mumbles or have difficulty following conversations in noisy places.

Australian Hearing are the largest provider of hearing services throughout Australia.
