JOKES OF THE WEEK FROM VERA

(In Ailsa's absence)

A mother and her five year old Little Johnny were flying Qantas from Sydney to Auckland.

Little Johnny (who had been looking out the window) turned to his mother and asked "If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?"

The mother, who couldn't think of an answer, told her son to ask the flight attendant.

So the little guy walks up to the galley and asks the flight attendant "If big dogs have baby dogs and big cats have baby cats, why don't big planes have baby planes?"

The flight attendant responded,

"Did your mother tell you to ask me that?"

Little Johnny said, "Yes, she did."

"Well then, please tell your mother that there are no baby planes because Qantas always pulls out on time, and ask her to explain that to you."

GLEN EIRA PROBUS **25th BIRTHDAY RECIPES**

As a birthday present to the club members, the Committee plans to publish 25 recipes later in the year.

While you have time at home, please find common-sense, simple recipes Maybe one that was handed down in your family or a recipe you made with the children.

It would really help if they were typed in a word doc. That way it will be easier to compile the contributions, but if you or a family member cannot do that for you then please post your recipes to:

Glen Eira Probus Club, PO Box 124, Glenhuntly Vic 3163 or you can email Vera Rochester who has volunteered to collect them.

E: vrochester5@gmail.com

Don't forget to name your recipe and add a few words as to why you chose it.
