NEWSLETTER No. 281 JULY 2020

A MESSAGE FROM OUR PRESIDENT

Hello Friends,
Looking forward to everybody getting together as soon as we can.

I imagine most of you have tidied all your drawers and cupboards, gone through photo albums and done all those jobs that you have been putting off for ages during the first wave of this virus. What are we going to do now?

Well maybe you can go through your recipe books and send some of your favourites to Vera to go into our planned recipe book for our 25th Anniversary.

My children have put Netflix, the Disney channel and SBS on demand on my computer, iPad and iPhone so I have enjoyed watching some of the old movies.

Well keep well, warm and have an afternoon sleep as it's really good for you and helps to pass the time.

Pam Ryan

JOKES OF THE WEEK FROM AILSA

A **Couple** were driving down a country road not saying a word after an earlier discussion had led to an argument and neither of them wanted to concede their point.

As they passed a farm with donkeys, goats and pigs, the husband asked: "Relatives of yours?"
"Yep", the wife replied, "In-laws".

.....

A **Teenage boy** had just passed his driving test and asked his father when they could discuss his use of the car.

His father said he'd make a deal. "You bring your grades up from C to a B average, study your bible and get your bloody hair cut, then we'll talk about the car".

The boy thought for a moment and decided he'd settle for the offer.

After about six weeks his father said: "Son, you've brought your grades up and I've observed you've been studying your Bible, but you haven't had your hair cut".

The boy replied "You know, Dad, I've been thinking about that and I've noticed in my studies of the Bible that Samson had long hair, John the Baptist had long hair, Moses had long hair and there's even strong evidence that Jesus had long hair also".

"Yes," his dad said.

"And did you also notice they all walked everywhere they went?"

GLEN EIRA PROBUS 25th BIRTHDAY RECIPES

As a birthday present to the club members, the Committee plans to publish 25 recipes later in the year.

While you have time at home, please find common-sense, simple recipes

Maybe one that was handed down in your family or a recipe you made with the children.

It would really help if they were typed in a word doc. That way it will be easier to compile the contributions, but if you or a family member are unable to do that for you then please post your recipes to:

Glen Eira Probus Club, PO Box 124, Glenhuntly Vic 3163 or you can email Vera Rochester who has volunteered to collect them.

E: vrochester5@gmail.com

Don't forget to name your recipe and add a few words as to why you chose it.

Congratulations to Ro Lawson who was first in with her recipe.

Please keep them rolling in.
