## **NEWSLETTER No. 304 September 2022**

\*\*\*\*\*

### **Presidents Report**

At last Spring is almost with us. The unfortunate sad news this month is the passing of our friend and former club Secretary Lorraine Staggard (see notice below). The Committee is planning club activities to the end of the calendar year and with a view to 2023 being a more Covid controlled environment. The September Dine out that Helen has planned for us has been well received. We will soon invest new members to our club and our recent visitors are very welcome as you bring new life to our club. October is Probus month and we plan to recognise some members who have, over time, demonstrated commitment the club and its values.

and input to run the club. Please give Brian Cooney a call on 9568 0258 for more information.

*Brian Cooney*

### **Vale Lorraine Staggard**

Lorraine was a very devoted member in our club. Past Secretary and she was always willing to help with numerous jobs requiring to be done A lovely lady who will be missed so much. R.I.P. Lorraine.

Funeral notice details available here

<https://www.lepinefunerals.com.au/upcoming-funerals/pmpk/>

### **Glass House on Friday 23<sup>rd</sup> Probus General meeting.**

Usual time 10.30am for coffee/tea and a chat. Lunch menus will be on the table and the Glasshouse has asked that we select and pay for our lunch orders before 11am so the kitchen can have them ready for us at Noon. That also avoids us having a long queue at the Bistrot at noon.

Below is the livestream link for the funeral service on Tuesday the 13<sup>th</sup> of September at 2:30pm

<https://www.lepinefunerals.com.au/upcoming-funerals/pmpk/>

### **Committee Vacancy**

Good news. Helen Evans has volunteered to coordinate the dine outs for the club. But we still have a vacancy on the Committee. Please consider putting up your hand to share your skills and knowledge with the membership one meeting for 2 hours each month. We need your help

### **ODD SPOTS THINGS YOU MAY NOT HAVE KNOWN**

**The average cob of corn has eight hundred kernels arranged in 16 rows.**
